### Notice on Recording of Non-operating Income (Foreign Currency Exchange Gain)

Ahresty Corporation (“the Company”) hereby announces that it has recorded non-operating income (foreign currency exchange gain) for the first quarter of the consolidated fiscal year ending March 2025 (April 1, 2024 to June 30, 2024).

#### 1. Recording of non-operating income (foreign currency exchange gain)

Due to changes in foreign exchange rates that occurred during the first quarter of the fiscal year under review, we recorded a foreign currency exchange gain of 576 million yen as non-operating income. This came as a result of revaluation of the foreign currency-denominated claims and debts held by the Ahresty Group, based on the exchange rates at the end of the first quarter under review.

The above amount may change depending on future exchange rates.

#### 2. Impact on business results

The above-mentioned non-operating income (foreign currency exchange gain) is reflected in the Consolidated Financial Results (Japanese Accounting Standards) for the First Quarter of the Fiscal Year Ending March 31, 2025.
